EXPECT CHAOS, CAPERS AND GIGGLES, ON A LOVEABLE FAMILY ROAD TRIP HIGHLIGHTING THE BEAUTY AND HISTORY OF IRELAND

# ARE WE THERE YET ?

WITH  
CIARA & JON

Voiced by Tara Lynn O'Neill (*Derry Girls*), *Are We There Yet?* reinvents travel television with this honest, very entertaining and informative, new observational documentary. Ciara Whelan and Jon Slattery are Ireland's most loved travelling duo, and over the past four years they've been on a road trip of Ireland. And this time, the carefree travelling double act are not alone – they have three new travel companions in tow! Bo, Edie and Blaise are the couple's adorable and feisty daughters, and they're joining the fun to explore the best family-friendly attractions out there. Expect chaos, capers and cuddles galore as this family of five hit the road.

It's family viewing with highly relatable moments delivered through an experiential lens rather than a formally presented approach.
