# Britain's Beautiful Rivers

## With Richard Hammond

Richard Hammond travels across the UK, exploring Britain's most beautiful rivers. This new, four-part series showcases the rivers Severn, Test, Clyde and Derwent, and will explore the historical, ecological and economic importance of each. From source to mouth, Richard reveals the untold stories, rich history and incredible character of each river. Swimming, kayaking and walking along these remarkable waterways, he also meets the people for whom the river is a key part of their lives, either for travel, commerce or recreation. The series embraces new shooting styles and technology, giving a unique perspective of each river.

### THE RIVERS:

**Severn** - 220 miles of river, which flows along the border between England and Wales. This epic river has stories to match.

**Derwent** - A tributary of The Trent, it flows through the Peak District and its breathtaking foothills. The Derwent is considered one of Britain's most picturesque rivers.

**Clyde** - Scotland's most celebrated river. Starting in the mountains and flowing into the Atlantic, it is a true Scottish beast.

**Test** - This short, 40 mile chalk stream river is an incredible gem. Regarded by many as the greatest fishing river in the world, The Test has secrets all along its banks.
