MEET THE DRUG LORDS

INSIDE THE REAL NARCOS

As an elite Special Forces soldier Jason Fox hunted down drug lords around the world. In this bold series he faces a different challenge: to meet the kind of people he was once sent to take out, from traffickers, to cartel enforcers, assassins to underworld kingpins, to understand them, how they think, what makes them do what they do, their dreams and their fears.

More cynical about the role he once played, Jason travels through Mexico, Colombia and Peru, to reveal the hidden worlds of cartel criminality and drugs that he was once tasked with destroying.

Episode 1

Mexico is home to the world's most powerful drug cartels, making it one of the most dangerous places on Earth. Jason meets the cartel bosses, security chiefs and hit men to reveal this billion dollar criminal network from the inside.

Episode 2

Colombia is where the global narcotics industry began and it remains one of the world's biggest traffickers of cocaine. Jason meets those that risk their lives daily to smuggle millions of pounds worth of drugs to destinations around the world.

Episode 3

In Peru Jason goes to an area known as 'Cocaine Valley', a remote, treacherous spot in the foothills of the Andes, where hundreds of tonnes of cocaine are made every year. Here he meets the producers that supply the global cocaine trade.
