## AUSTRALIA

For the first time ever, the NSW Police Rescue and Bomb Disposal Unit are opening their doors for an all-access look.

Follow the extraordinary real-life drama of a group of elite police officers as they deal with high-risk and traumatic situations to save others in this powerful and thrilling series from Down Under.

*Police Rescue Australia* tracks the Police Rescue Units in the Sydney and Blue Mountains areas of New South Wales as they deal with the daily dramas of rescue work and the often traumatic incidents they find themselves in. This select group, from a diverse range of backgrounds, are some of the best trained and hardest working rescuers in the world.

These dedicated men and women are bound by their mission of saving the lives of those in danger, as well as a deep and abiding sense of loyalty – not only to the Police Force, but to each other. We get to know the character of these officers who are superbly trained in the use of specialist emergency equipment for the most challenging rescue tasks, as they share the humour and camaraderie that unites them in dealing with the daily dramas of rescue work on the frontline – and prove time and again that there's always a way to save a life.

From cliff and mountain helicopter rescues, to missing person searches in the stunning Blue Mountains, to sieges, bomb disposals, and abseiling down the Sydney Harbour Bridge, *Police Rescue Australia* gives viewers an up-close, emotional, and action-packed look as the squad routinely risk their own lives working to save others. An ob doc series guaranteed to keep you on the edge of your seat!

Narrated by multi-award-winning Australian actor, writer and director Brendan Cowell (*Avatar: Way of the Water*, *Game of Thrones*, *Love My Way*).
